## INSTRUCCIONES PARA LA CUMPLIMENTACIÓN DE LA HOJA

Esta hoja de respuesta debe ser cumplimentada con **bolígrafo negro o azul**.

Para cada pregunta hay **dos líneas de respuesta**: la primera se utiliza para contener la respuesta que Vd. considere correcta y la segunda con un sombreado, para anular dicha respuesta, si desea hacerlo.

Lea atentamente la pregunta a contestar y una vez elegida la alternativa que considere correcta (A, B, C, o D) **márquela en la primera de las dos líneas** de respuesta que tiene el mismo número de pregunta.

**Marque completamente la casilla** correspondiente a la alternativa elegida, rellenándola pero sin salirse. Vea el siguiente ejemplo:

|        |                          |                          |                          |                          |
|--------|--------------------------|--------------------------|--------------------------|--------------------------|
| 1      | <input type="radio"/> A  | <input type="radio"/> B  | <input type="radio"/> C  | <input type="radio"/> D  |
| ANULAR | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

Si se equivoca y desea anular una respuesta, marque la casilla inmediatamente inferior a la que quiere corregir, en la segunda línea de la misma pregunta, que tiene un sombreado y después vuelva a marcar en la primera línea de la misma pregunta la alternativa que considera correcta. En el siguiente ejemplo se había elegido la alternativa **A** y se ha anulado marcando **A** en la casilla de la línea sombreada inmediatamente debajo. Después se ha marcado como correcta la alternativa **C**.

|        |                                     |                          |                          |                          |
|--------|-------------------------------------|--------------------------|--------------------------|--------------------------|
| 1      | <input type="radio"/> A             | <input type="radio"/> B  | <input type="radio"/> C  | <input type="radio"/> D  |
| ANULAR | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

Si ahora desea anular la respuesta **C** y elegir la **D**, podría hacerlo repitiendo la operación, como sigue:

|        |                                     |                          |                                     |                          |
|--------|-------------------------------------|--------------------------|-------------------------------------|--------------------------|
| 1      | <input type="radio"/> A             | <input type="radio"/> B  | <input checked="" type="radio"/> C  | <input type="radio"/> D  |
| ANULAR | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> |

**Una vez anulada una opción de respuesta no podrá volver a recuperarla.**

### ATENCIÓN

Únicamente se considerarán válidas las contestaciones cuyas marcas estén realizadas de acuerdo con estas instrucciones. Además, usted deberá ajustarse a las que se impartan específicamente para cada ejercicio.

**Cumplimente el cuestionario solo con bolígrafo azul o negro tipo clásico.  
Evite plumas, rotuladores y tintas especiales.**

En la hoja de respuestas debe figurar su número de D.N.I. como se refleja en los ejemplos siguientes:
